Glorious Church 30th: Three 1-Minute Trailer Scripts

Each script uses only lines from the five interviews. IDs match **SCRIPT-BREAKDOWN** (S = Sisa, V = Pastor Ver, M = Mafil, B = Ben, R = RG), so any line can be found by its clip and timestamp.

Times are approximate and include short pauses between lines. ⚠ = check with leadership before using; a safe swap is listed.

Notes

- **Option 3** is closest to what we've already built. It reuses the black-and-white-to-colour turn and the poster trailer, just shortened from 21s to about 13s.
- **Option 2** works without the sensitive lines. Options 1 and 3 each have one ⚠ line with a safe swap.
- To mix and match, send me the IDs in order (for example S3 · S7 · M9 · V1 · V6 · S11) and I'll cut it.
